The meeting was called to order by Gale at 5:00 p.m.

**Finances:** Jodi has been working hard on our finances. Income for the month was \$1251 from the book sale and \$92 from the book cart. We are doing well vis a vis our budget. We need some help with grants for OCR. We received \$2295 in interest on our CD's—which is not accounted for in the budget. We have not yet received money from Deluxe Market for this year.

**Rebuild:** we are working hard on finalizing the donor wall. The library is still on time and on budget.

**OCR:** the first meeting for next year is later this month. We have a good team together

**FSCPL:** Kids Day was a great success. We shared a table with the library. It was well attended. B40 opens this Saturday.

**President's report:** LLC had a great race at Pinto Lake. Aptos Friends volunteers were appreciated. Library staff appreciated our cookie baskets. Book sale is June 24<sup>th</sup> with set up on the 23<sup>rd</sup>. Please help if you can. Please sign up for the Farmer's Market. Gale is working on the Grand Opening Celebration—we need refreshments, entertainment and party favors.

**Branch Report:** Summer Reading Program begins on June 1<sup>st</sup>.

We adjourned at 6:00. Next meeting on June 1<sup>st</sup> at Capitola library.
